BRIEF ABSTRACT OF LETTER.

Forwards another memorial from B. V. Srinivasamurti praying for the grant under the special circumstances of his case permanent monthly t. a @ Rs 8/p.m. from 23. 5. 1910 to 5 Sept 1911 without production of horse Maintenance Certificate & without deduction for having drawn t. a as Irrigation Wells Maistry.

NOTES AND ORDERS.

The facts of the case are briefly as follow:-

B. V. Srinivasamurti, a clerk in District Excise office, on a pay of Rs 15, was temporarily promoted as an Irrigation wells Maistry on Rs 20+8 but as he was told to continue to do the duty of the Excise clerk, the P.M. T.A was not drawn

drawn by him - As an Irrigation Wells Maistry doing duty as an Excise Clerk, he had to accompany the District Excise Officer during his tours of inspection. In respect of his claims for t.a for such journeys the t.a bills were first submitted to the Excise Comm.r & on the latter Officer declining to Countersign the bills were submitted to this Office. By this time the claim had become belated and sanction under Art 5 C.R.A.C was given & the bills were forwarded to the Comptroller for audit - As the claimant was an Irrigation Wells Maistry by designation, the Comptroller passed Mileage @ 1½ annas a mile under Art 575 note 1 & not @ 4 annas allowed to superior officers of Ministerial Establishments and this meant that the claim was considerably cut down.

2. He approached the 7.L. Secy & prayed for allowances being passed to him as a Ministerial Official on Rs 20/- and he was ultimately informed that he should get the t.a of the appointment in which he was drawing pay & that what work he was doing is not to the point in the matter.

attached to the Irrigation Wells Maistry - referred to as I.M.T.A in note 1 to Art 575 - and not drawn by any other official during the period may be passed to him; that here under the special circumstances of his case is as he was under the orders of a competent authority told to do the duties of the Excise Clerk bearing the designation of an Irrigation Wells Maistry, the production of a horse maintenance certificate may not be insisted & that any deduction of P.M.T.A. as required in the above rule for the days for which he has drawn T.A. may be waived on account of the hardship he has been put to.

4. When the claimant's prayers were considered before there was no mention of the Horse allowance and it is a new ground.

5. If such a claim is to be recognised it will have to be prefered by the Dy Comm & verified by the Comptroller.

have to pick him horse allowance he drawn for the period she did not keep a horse. This course does not seem to be consistent with facts so cannot be supported. The only other course open is to pick him the rate admissible for ministerial offr of the same pay & that drawn by the applicant. This seems more reasonable. He will however have the formal sanction of the Dy Commr forwarded the marginal offr.

7) I do not think we can do anything strictly under the rules - for him, he has to be treated as a Mairiky who did not maintain a horse.

8) But perhaps a Mairiky would not have been required to perform such extensive journeys & in that case the course suggested at A above if specially sanctioned by Govt would be admissible. If Govt are disposed to accord such sanction the technical financial objection need not be pressed. M 12/4

To

Dewanbahadur

J.S.Chakravarthi Esquire, M.A., F.R.A.S.,

Financial Secretary to the Government

of Mysore, Bangalore.

Through

The Deputy Commissioner,

Kolar District.

Sir,

With due respect and humble submission I beg to state that I have been communicated, through the Deputy Commissioner, the purport of your letter No. Fl.3578/S&A. 246-13-2 dated 12th February 1914, regarding my application for a further consideration about certain disallowed travelling allowances. I urged my claim for travelling allowance at the rates admissable to an Excise clerk under Article 591 (ii) M.S.R in consideration of the work I was doing as per orders of the Deputy Commissioner, but as you have been pleased to observe that I am entitled to the travelling allowance only at the rates admissable to an Irrigation Wells Maistry and that the work I was doing is not a point affecting the matter, I beg to urge my claim for the permanent monthly travelling allowance attached to the post of the Irrigation Wells Maistry which I would have drawn at Rs 8/- per mensem in virtue of having held the said appointment from 23-5-10 to 5-9-11, during which period I worked as Excise clerk.

The payment of this allowance will also be in conformity with the provisions of Art: 824 C.A.C. which enjoins that the allowances of an Officer should be met out of the same head of pay. This monthly allowance granted to the Irrigation Wells Maistry being, for the purposes of Art: 575 M.S.R., only a permanent monthly travelling allowance granted in lieu of all other travelling allowances as per definition contained in Art:

2

Art: 572 M.S.R, is not an allowance meant for the maintenance of a horse. The fact that I did not maintain a horse which the nature of my duties did not require me to do, is therefore, not a bar to claim the permanent travelling allowance without producing a horse maintenance certificate. Should you think that such a certificate is required, I most humbly request you to be so generous as to obtain the sanction of the Government to pass the claim without a horse maintenance certificate under the special circumstances of the case.

As it is seen from the enclosed statement that the aggregate amount of the disallowed travelling allowance, which I would have drawn had it not been for my designation as Irrigation well Maistry which was only for name sake, comes up to Rs 127-8-2, while the permanent travelling allowance now claimed will amount to only Rs 123-10-6, if paid, I further pray for the concession of the benevolent Government to pay me the full amount without further retrenching the same by making me to forfeit any portion of it for the days I have already been allowed travelling allowance only at the rates admissable to an Irrigation Wells Maistry.

As all these complications are not due to any fault of mine, having worked in the Excise Department in obedience to the orders of the proper authority and as I have been really put to a loss of an amount equal to the disallowed travelling allowance, spent by me solely in the interest of the Public Service, I request you will be so kind as to obtain the sanction of the Government to the grant of my prayer for the full permanent travelling allowance, as a special case, as it would be very hard upon me if I am denied either of the priveleges.

For this act of kindness I shall ever be grateful.

I beg to remain, Sir,
Your most obedient servant,

B. V. Ramayya Murty
